A project of Learning and Development Kenya

Philanthropy College is a project of Learning and Development Kenya (LDK), a local charitable organization (NGO) empowering communities through Training; Research and Development. The College is situated at LDK's Learning Center in Rhonda, a half a kilometer from **Pondamali**. The college offers a wide range of recognized professional courses in the fields of: Business Studies, Management, Community Development, Social Studies, Education (ECD), and Computer Studies. Our subsidized training fees (nearly a half of the prevailing market rates), are very modest to suit the needs of nearly everyone aspiring to obtain a professional training that will improve his/her knowledge and prospects for a good job.
